#### CENTER CEMETERY

Center cemetery was established in 1823, according to the sign at the entrance to the cemetery. The map office at the Portage County Court House lists the cemetery as being established in 1830 and having one acre of land.

Although no longer used, the cemetery is well maintained by the township. It is located on S. R. 44 a short distance north of the intersection with Waterloo Road, and lies adjacent to the north side of the Christian Church, Disciples of Christ. It has an old wrought iron fence on the street side with a wooden fence around the rest of the perimeter.

GERMAN REFORMED CEMETERY

German Reformed Cemetery was established in 1853 according to the sign at the entrance to the cemetery. The map of this cemetery at the Portage County Court House states the cemetery was established in 1860 and has 1 acre of land.

There are 3 known Civil War veterans buried in this cemetery.

Some stones are in German and we translated them to the best of our ability. Many stones were illegible but with the 1930 cemetery readings and rubbing paper we were able to decipher most of them.
